

One Day of my Life

Motto: Every minute of our life deserves to be remembered.

Students make acquaintance with the culture of the students of other countries as well as with its lifestyle, youth culture, school education and popular hobbies.

This is a project in which students exchange photographs describing days in their lives, keep diaries and make cross-cultural comparisons.

Pupils will host a virtual mini conference during which they will discuss aspects of a typical school day.

Parties of the agreement

Teacher training school of university of Eastern Finland

Pärnu Tammsaare kool, Estonia

Lyceum Gambetta, Arras (France)

Language

Russian

Student age

12-13
